To Whom It May Concern,

Every once in a while you're lucky enough to meet, and then work with a truly talented, extraordinary individual. I have had that pleasure working with David Wallach. Although he was only employed at CBS4/UPN33/UPN34 for a short time as a freelancer, David has made a huge impact in every way. He's an exceptionally creative producer, who brings an uncompromising technical ability and work ethic to the job. In addition, David is more than a pleasure to work with and he leaves many fans and friends here at the station.

In my opinion, David will make a huge impact in any field or position he chooses to pursue .

Sincerely,
