

WAMI-TV  
A USA BROADCASTING STATION

December 7, 2000

To Whom It May Concern:

I am writing this letter of recommendation on behalf of David Wallach. David was in my employment as an Avid Editor from December 1998 through December 2000.

David's work at WAMI was nothing less than exemplary. Whether it was a daily general assignment package or a full-length feature, David put every ounce of creativity into his work. Along with his creative mind, his attention to detail guaranteed a quality product every night of the week. You can look at over the 350 packages David edited during his employment at WAMI and never see a drop off in production value.

His thorough technical knowledge of television broadcasting and editing was a great asset to our entire station and not just my department.

I highly recommend David in any job that pertains to the area of post-production editing and related fields. Please do not hesitate to contact me if you have any further questions regarding David's employment.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeff Tavss".
